

GRADUATE PROGRAM SPECIALTY DESIGNATION

IECA consultants who choose to include the new Graduate School (G) in their IECA Directory listing are required to complete the attached application form.

Please note that the required expertise to work with graduate school students may be acquired **after** admission into IECA and the "G" listing will be added when appropriate.

Application Requirements Please check to be sure that you have completed all parts of your application, and have attached, or have arranged for the following items to accompany your application. Incomplete applications may delay approval beyond publication date of the 2009 Directory.

- **Transcripts/Advanced Degree(s)**
Applicant must have on file in the IECA office (or provide with this application) a copy of official transcripts of advanced degree(s), Master's level or above.
- **Professional Development**
Provide a list of participation in at least three workshops or seminars dealing with graduate school admissions. *[Include sponsor or institution, workshop title, and dates attended.]*
- **Evaluative Campus Visits**
Provide a list of 25 graduate programs visited and assessed within the last three years. If applying for multiple sub-specialties one must have a minimum of 10 visits within each sub-specialty area, i.e., 10 Veterinary, 10 Business, 10 Law, etc. *[Including month/year of visit]*
- **Clients Advised**
Provide the number of graduate level clients advised. Must have advised a minimum of 30 clients within the last three years. Must have advised a minimum of 10 clients in each sub-specialty area. *[If applying for more than one sub-specialty area organize and list by sub-specialty, noting number advised in each.]*
